

SMALL GROUP STUDY

1. Take time to work through the “Who is My Neighbor” together. How many in your group knew more than half of their immediate neighbors? Calculate out the impact your group could have if each household reached eight neighbors each - potentially how many people could that be?

2. Read **Luke 10:25-37**

:: What was the motivation of the question being asked, “Who is my neighbor?”?

:: How did Jesus respond? What is He saying?

:: How can we apply that to our lives, in the communities in which we live?

3. Read **Acts 17:26-27**

:: What jumps out at you from these verses?

:: According to the verses, why do we live where we live? Why has God placed us in our neighborhoods? What about those people who surround us? Why are they there?

:: Knowing what you know, then, how will you live differently because of it?

MESSAGE NOTES

The Art of Neighboring - Taking the Great Commandment Literally

Pastor Joe Pryor

One of the best things that we can do together to impact our city is to live out Jesus' command to _____ our neighbors.

The Great Commandment & the Good Samaritan

Luke 10:25-37

We tend to not reach _____ when we're trying to reach _____

Your neighbor falls into one of three categories:

_____ > _____ > _____

"And he made from one man every nation of mankind to live on all the face of the earth, having determined allotted periods and the boundaries of their dwelling place, that they should seek God, and perhaps feel their way toward him and find him. Yet he is actually not far from each one of us;"

Acts 17:26-27

WHO IS MY NEIGHBOR?
